

June 1, 2008

To Whom It May Concern:

Become involved in your community by participating in the Eco-Fit Fundraising Program. You will receive funds for your organization and support the Tower of Excellence Student Educational Support Grants program.

To participate, your organization will need to recruit five volunteers for the day of the race. Your volunteers will receive a free Eco-Fit t-shirt. For each participant you register for the Tower 8K Run, 5K Fitness Walk, Biathlon and Crazy Tri, you will receive \$5.00. Participants you register are not eligible for the individual discounts. The deadline is Thursday, September 11, 2008.

The Inaugural **Michigan City Eco-Fit Challenge** is a one of a kind, environmentally friendly, multi-sport event that will give participants the chance to run, paddle and spike into the sunset. Run 8K in the scenic Michigan City coastal region, paddle 16K on Lake Michigan, canoe or kayak the Trail Creek tributary, and play beach volleyball on the sands of one of the magnificent Great Lakes. Both experienced competitors as well as novice recreational participants are welcome.

Proceeds benefit the **Tower of Excellence Student Education Support Grants**. These grants provide financial assistance for classroom projects designed by teachers and students in the public and private schools of the Michigan City area. A portion of the proceeds will be designated for environmental and ecological education grants.

Tower, a local nonprofit organization, the Trail Creek Watershed Committee and the producers of the EVP National Tour have teamed up to create this very unique and exciting event for the Michigan City area.

Complete and return the attached form to participate in the Eco-Fit Fundraising Program. Registration forms will be supplied to your organization. Within a month after the race, you will receive a check for an amount based on the total participants you registered.

Sincerely,

Ryan Bos
